

# LIFE JUST GOT EASIER WITH THE NEW AQUATEK APP!

**dontek** 

Control your pool from the palm of your hand and say goodbye to complicated pool set up. Simply download the AQUATEK App on your smartphone. Using WIFI, you can control your pool from the comfort of your couch or from where ever you are with a mobile connection!

The AQUATEK Controller uses state of the art technology and manages all your pool and spa requirements. It can control single speed pumps, variable speed pumps, sanitiser, heater, solar heating, lights, water features, pool/spa valve actuators and all spa equipment requirements.

The AQUATEK Control system is modular and can accommodate all pool control requirements big or small.
